Taken up only after the amendments proposed by them are approved by the Govt and that the Municipal Council took objection to the Municipal Commissioner acting as Returning Officer, and have suggested some further amendment to the Rules.

32 The city of Bangalore Improvement Act No V of 1945 is put up

33 Under Section 42 of the Act, read with Section 4 thereof, the election of four Trustees from among the members of the Bangalore city Municipal Council, has to be conducted in accordance with the Rules issued by the Govt in this behalf

34) Accordingly in Notification No L9274/M 157-44-68, dated 16-3-45 the Rules in regard to the election of Trustees by the Bangalore city Municipal Council were issued

35) Under Rule No 1 of the above Rules, the election shall be according to the proportional representation by means of Single transferable vote The rule has been objected to by the Bangalore city Municipal Council and they have suggested amendment of the above Rules, as noted on page 3 of the Resolution

36) It is doubtful if under the provisions of the Statute the Municipal Council is competent to suggest amendments to the Rules issued by the Government

37) The Bangalore city MLC have to elect four Trustees to the Board of Trustees for the improvement of Bangalore city, in accordance with the rules issued by the Govt under Secs 4 & 5 of the Bangalore Improvement Trust Board Act.

(i) The city MLC while considering the rules issued by the Govt in this behalf, have suggested certain amendments to them and have resolved that the election of four Trustees be taken up only after the amendments are approved by the Govt

A glance at the amendments suggested shows that the rules are proposed to be made very elaborate, providing even for appeals against elections held

Moreover no necessity for accepting the amendments proposed by the MLC

(ii) Neither have the MLC the right or the power to enforce the rules issued by the Govt by virtue of the powers vested in them under the Statute

Under the circumstances, two courses are open by (1) to inform the MLC that the Govt are not prepared to amend the rules as proposed and that they should elect the four Trustees in accordance with the rules issued before the 20th May 1945

(2) ignore the resolution altogether

I doubt if the municipality will change even if one more chance is given However I would err on the side of Conservatism. The rule as to voting cannot be changed as it was made after careful consideration. (4) There is no objection however to make the President the returning officer (if that will soothe them wounded dignity) I would suggest uniformity the municipality that the method of voting cannot be changed, that the President may be the returning officer that the election is held & the result reported to Govt within a fortnight of the receipt of the Govt order the Govt will proceed to take such action as is open to them.

Date 1st February 1945

To

The Secretary to Government,
Law Department, Bangalore.

Sir,

I have the honour to state that with the promulgation of the City of Bangalore Improvement Act into Law with effect from 26th January 1945, the question of appointment of a Chairman and the formation of a Board of Trustees for carrying out the provisions of the Act is to come up for early consideration of Government and under section 4 of the Act the appointment of the Chairman vests solely with Government

In this connection, I wish to offer myself as a candidate for the post of the Chairman As regards my fitness and capacity, I wish to state that I was intimately associated with the Mysore City Improvement Trust Board as its Engineer for a good many years when it launched a number of Improvement Schemes and I also acted as its Chairman for a period of six months Even otherwise, Government are aware of my past services in the Public Works Department

I accepted my present appointment with the belief that my candidature for the Chairman's post would be duly considered at the appropriate time Now that the time has arrived for taking a decision in the matter I pray that Government may be moved to provide an opportunity for me to serve the people of Bangalore as the Chairman of its Trust Board

Proceedings of the Special Council Meeting dated 5-4-45

Addl No 4 Notification No L 9274/M1 157-44-68 dated 16-3-1945 prescribing certain rules for the Election of Trustees to the City Improvement Trust Board by the Municipal Council

The President read out the notification and also said that the Municipal Council had to elect 4 members from among its Councillors and that the Council might consider one or two points in this Behalf, viz , proportional representation, the Municipal Commissioner being authorised to conduct and declare the result of election in the Council when there was the President presiding over the meeting convened for holding the election etc This was apposed to the Municipal Act

Mr K.M Naganna said that since this subject was a very important matter and since the file was not circulated among them, the subject might be deferred and Mr. Ramalal Thiwari seconded the same

When the deferring motion was put to vote, it was lost, 7 voting for and 12 against

Mr K M. Naganna demanded poll and Mr Ramalal Thiwari supported it

The following voted for - Messrs Ramalal Thiwari, K M Naganna A J Khaleel, S Ghouse Mohiyuddin, C N Narasinga Rao, Singam Rangaswamappa, and K Ambrose Ananda

The followmng voted Against - Messrs P V Ramachandra Gupta H C Suryanarayana Rao, M N Narayana Iyengar, T T Sharma, K N Ramaswamy, N. Keshava Iyengar, K Shamarajaiengar, H.B Shankarappa, B N Gupta, S Viswamurthy, G Nanjappa and W H Hanumanthappa

Result of the poll was 7 FOR and 12 AGAINST

Then the subject was taken up for consideration The President read out the rules of election of members to the Trust Board Mr M.K Narayana Iyengar moved that Rule No 1 be omitted and Rules 2 and 3 renumbered as 1 and 2.

Mr. P V Ramachanadra Gupta seconded it

Mr C N Narasinga Rao opposed it and said that proportional representation was very necessary from the interest of the minority party in any body This representation would remove the monopoly of one party, the majority party getting in at the cost of the others So, the Government Order might be recorded and election for the members to Trust Board done immediately Further, this rule had been framed under the Trust Board Act and he was afraid that this Municipal Council had no jurisdiction in this matter He raised a point of order this Council had no voice in this matter and hence the resolution moved by Mr M K Narayana Iyengar was inadmissible

Mr B N Gupta, and W H Hanumanthappa opposed the point of order raised and the President ruled "that it was perfectly upon to the Council to suggest to Government any amendment if considered reasonable and necessary and hence the proposition of Mr M K Narayana Iyengar was in order."

Mr B N Gupta supporting Mr M K Narayana Iyengar said that there was no need to apprehend tyranny by the majority party as expressed by Mr C N Narasinga Rau

Mr. A.J Khaleel opposing the above said that the Board came into existence on account of slackness of work in the Council and party politics being introduced in local bodies Further the Government had wisely selected the Commissioner as the Returning Officer for conducting the elections, because as one belonging to no party he could be impartial

Mr W H Hanumanthappa supporting Mr M K Narayana Iyengar said that there was no fear of majority tyranny as even with these elected members, the number of nominated members was greater

Mr Ramalal Thiwari opposed the above and Mr K Shamaraja Iyengar supporting Mr M K Narayana Iyengar said that this proportional representation was not ~~healty~~ unhealthy thing and should be hrown out

Mr. H C Suryanarayana Rao also supported the proposition moved by Mr M K. Narayana Iyengar and said that it was upto the minority party to convert themselves into a majority party

Mr K M Naganna said that he had to oppose the proposition on three grounds (a) that the party which had opposed the constitution of this Trust Board ought not to accept the same with some modifications, (b) the delay in their electing members might end in Government nominating them and thirdly, they had bitter experience of the tyranny of the majority party when the Congress party had 23 seats in the Council during the previous regime

Mr. M K Narayana Iyengar suitably replied to the observations made and said that there was already a majority of nominated members in the Board.

Then the proposition of Mr M K Narayana Iyengar was put to vote and passed 12 voting for and 5 Against

Mr K M. Naganna demended a poll and Mr Ramalal Thiwari supported it.

The following voted For - Messrs P V Ramachandra Gupta, H C Suryanarayana Rao, M K. Narayana Iyengar, T T Sharma, K.N. Ramaswami, N Keshaviengar, K. Shamaraja Iyengar, H B. Shankarappa, B N Gupta, G Nanjappa and W H Hanumanthappa

The following voted Against - Messrs Ramalal Thiwari, K M. Naganna, K. Ambrose Ananda, C N Narasinga Rao, and Singam Rangaswamappa

The result of the poll was 12 For and 5 Against

Then Mr M K Narayana Iyengar moved that "This Council urges the Government to make the following modifications in the Rules for the conduct of the election of Four Trustees of the Bangalore City Improvement Trust Board -

(a) That after rules 1 to 3, the following two new rules be inserted

4 When the number of candidates does not exceed the number of vacancies, the candidate or candidates shall be declared elected by the Presiding Authority witout any votes being recorded

5 If there are more candidates than there are vacancies, votes shall be taken in accordance with the precedure prescribed in these rules

(b) That Rule 4 be renumbered as rule 6.

(c) That Rule 5 be renumbered as Rule 7 and modified as follows

7 After the voting is completed, the Municipal Commissioner shall open the ballot box and count the votes, in the presence of the Presiding authority

(d) That the following new rules be inserted.

8 The results of election shall be declared by the Chairman of the Meeting and shall be recorded in the minutes of the Proceedings of the Meeting

9 The names of the persons declared to have been elected shall be communicated with the least practicable delay to the Government for being mitified in the Gazette

(e) that Rule 6 be renumbered as Rule 10.

F That the following new Rules be inserted

11 That the validity of the election may be contested by a petition signed by atleast three Councillors and filed before the District Judge, Bangalore, within ten days after the date of declaration of the result of election in accordance with the provisions of Section 20 of the Mysore City Municipalities Act 1933

If there is an equal number of valid votes in favour of each two or more candidates from one vacancy, the selection of one such candidate shall be made by lot by the Chairman of the meeting

Mr P V Ramachandra Gupta seconded the above

Mr C N Narasinga Rao said that this might be deferred till all the rules are circulated amongst the members

Mr K M Naganna seconded the above

Mr F Shamarajaiengar raised a point of order that a deferring motion had already been raised and lost and so another deferring motion could not be moved again

The President observed that this deferring motion was in respect of a different subject and ruled the point of order raised by Mr K Shamarajaiengar ~~as out of order.~~ was untenable

Then the deferring motion was put to vote and lost, 5 voting For and 12 against

Then the amendments of Mr M.K. Narayana Iyengar were put to vote and passed 12 voting For and 5 Against

Mr K.M Naganna Demanded poll and Mr Ramalal Thiwari supported it

The following voted for - Messrs P V Ramachandra Gupta, H.C Suryanarayana Rao, M K Narayana Iyengar, T T Sharma, K N Ramaswamy, N Keshaviengar, H B Shankrappa, B N Gupta, S Viswamurthy, W H Hanumanthappa and G Nanjappa

The following voted against - Messrs. Ramalal Thiwari, K.M Naganna and C.N Narasinga Rao

The result of the poll was 12 For and 5 Against

Then Mr M K Narayana Iyengar moved "This Council requests the President to convene a meeting for the purpose of election of four Trustees after the above amendments are approved by the Government."

Mr P V Ramachandra Gupta seconded it

When put to vote it was passed, 12 voting For and 3 Against

Mr K M Naganna demanded poll and Mr Ramalal Thiwari supported it

The following voted For - Messrs P V Ramachandra Gupta, H C Suryanarayana Rao, M K Narayana Iyengar, T T Sharma, K.N Ramaswami, N Keshaviengar, K Shamarajaiengar, H B Shankarappa, S Viswamurthy, G Nanjappa and W H Hanumanthappa

The following voted Against - Messrs Ramalal Thiwari, K.M Naganna and C N Narasinga Rao

The rsult of the poll was 12 For and 3 Against

Office of the Engineer Officer,
City Improvement Trust Board,
Bangalore, dated, 17th July 1945

To

The Secretary to Government,
Law Department, Bangalore

Sir,

In continuation of this office letter No 162 dated 1-2-45 offering myself as a candidate for the post of the Chairman for the Bangalore City Improvement Trust Board, I have the honour to submit a further representation in this behalf detailing in brief my past services to the State to enable a just appreciation being made for their full recognition

My claims have been so often overlooked on previous occasions that I am constrained to think that my services in the past are but imperfectly known to Government and I beg therefore to request that you will be so good as to lay before Government the following statement of my case for their very earnest consideration

I was a public servant of 25 years standing in the Mysore Public Works Department before my premature retirement in 1939

I claim that my outstanding achievements while in service have reference to my work in connection firstly with the Anjanapur Project and secondly with the giagantic Jog Power Scheme

Let me recall in brief my work in the Anjanapur Project The course of the draft channel was not able to stand the action of floods and as a remedy I suggested that protective works were necessary The Chief Engineer held my opinion wrong and mischievous and for this reason got me degraded The Anjanapur Project Committee in their first meeting held the view that the work ~~as~~ was being carried out on right lines as it was also in accordance with the sanctioned scheme Subsequently, the Committee concurred with my views They abandoned the original draft channel which had already cost one lakh of rupees A new draft channel was thought of and actually carried out, and protective works were provided Here again, the Committee's proposals regarding protective works happened to be technically wrong and they were detected and got rectified by me after I was posted as personal Assistant to the Superintending Engineer, Shimoga Circle

I shall be pardoned, I hope, if I cannot contemplate without regret that an unmerited punishment was inflicted on me by way of degradation for doing duty to the best of my judgement and even when I was proved to be in the right, the punishment was not remitted

Now about the Jog Project, Mr S G Forbes and the Jog Hydro Electric Committee including as it did a galaxy of eminent Engineers investigated in all about half a dozen projects and each one of them was found to be not free from defect and they had all to be abandoned

Firstly, when sanction of Government was accorded to the preparation and execution of Jog falls project at a cost of 150 lakhs in G O No EDS 206-17 dated 4th July 1937, the P_3 and G_3 which had been previously investigated as suitable were adopted for the location of the Penstock and generating stations respectively After I assumed charge of the Jog Division, I prepared an outline of the Jog Falls Project in which I showed the defects inherent in the above schemes and I suggested for adoption of an alternative scheme which not only aimed at securing an economy of over seventy lakhs of rupees

but also was safe from all points of view I maintained that the crux of the whole problem lay in designing the water-way leading to its extreme point the Generating Station The place selected by me for the water-way was on the right of Sirur Halla which would reduce the length of the Penstock lines In the face of the above arguments in defence of my Scheme, Mr S G Forbes abandoned his own Scheme and at the sametime he was unwilling to accept my plan. In the meantime I was relieved of the charge of the Jog Division and retired before my time for reasons which I need not go into here However, my plan was open and I continued to advocate acceptance of my scheme but without success as I lacked official backing I sought the intervention of the late Mr K Shankarnarayana Rao, Judge of the High Court and through him I was given an opportunity to explain to the Jog Committee on 9-12-40 which was then in Session at Jog Apparently, I failed to impress the Members as the Committee ignored my Scheme altogether and resolved to confinetheir attention to the two new schemes known as G S F S and A B

Schemes sponsored respectively by Messrs S G Forbes and L A H Winkler

These two schemes had their own defects and the Committee left Jog but I remained behind to acquaint the Director of Geology - who was at Jog then by Special invitation of the Jog Committee and his Gazetted assistant about my site for location of canal, Forebay penstock etc , The Director of Geology being convinced about the suitability of my site induced the Jog Committee to have my site also investigated To this the Committee agreed and the site was surveyed and the Director of Geology in his final report dated 21-1-1941 recommended my site for acceptance and certified it as ideal He also clearly associated my name for the selection of the S H site The Committee which met on 5-3-41 straightaway adopted it But to my chagrin, that the scheme adopted by the Committee on 5-3-41 originated from me was concealed from Government at the time but the report of the Director of Geology and other connected events clearly and unmistakably show that my authorship cannot be disputed

After a patient struggle for three years, I have succeeded to show beyond doubt that the Scheme now adopted at Jog is after all mine

Further, I claim that the adoption of my scheme has vindicated my position as an Engineer But the melancholy fact remains that by my premature retirement in 1939 I have lost what otherwise would have been the crowning period of my service I believe it will not be possible to find in the history of any department of the Public Service a case of disproportion so glaring between work and reward This refers to the past But may I appeal for reparation' when the benign Government reinstated me after 5½ years of my life lived in the wilderness of despair by now offering me the post of the Engineer Officer of the Trust Board, I thought that the beginning to the end of my anguish was in sight

I hope that the facts that I have attempted to lay before Government satisfy them in their entirety I feel sincerely that I have just grounds for complaining of the treatment I have recived in the past in the Department and with a clear conscience I believe that my services entitle me to a better place with a more handsome remuneration than what has been assigned to

me I request that the post of the Chairman may be bestowed on me and the period of 5½ years lost already made good by continuing me in service by a like period

In conclusion, I beg pardon of Government for having taken up their time with this lengthy communication and for any improprieties of expression into which I may have been betrayed by my feeling

I have the honour to be,
Sir,
Your most obedient servant,

Y Ramswam
